## A Word from the Owners

ABOUT PROUDS AND PROMISES

It has been a fun, exciting and sometimes challenging 25 years and now that we're taking a few moments to reflect, we realize that we are proud. We are proud of the quality service we offer our clients, we are proud of our strong commitment to the Riverside community, and we are proud of our success. After the prouds come the promises—rather one big promise—to maintain our high standard of sincere quality service to our clients and to our community.

What better time than an anniversary to thank our friends, old and new, for their support and encouragement these incredible 25 years.

## A TRIBUTE TO KATHY

There are many staff members, past and present, who have contributed to our success, but one certainly stands out—Kathy Hartman. Our wish for all business owners is to have one "Kathy" in their career. For 21 years Kathy has enriched our lives not only professionally, but personally as well.

*With appreciation and much fondness, Sue & Zee*
